Data sheet

JC35TS-ZC13S

- Nature series uses honeycomb board as the table top, which is in line with the sustainable development strategy.
- Honeycomb table top reduces wood consumption by 65% and weight by 60%.
- The frame is hidden in the table top, and the shape is more neat.
- Mounting holes are reserved on the table top, which is more convenient to install.
- The handset is embedded in the desktop top.
